President's Message

The final month of ASHRAE year is here. This is my last year as your President. It was pleasure and an honor to serve the Chapter. I would like to everyone for their support and participation in the Chapter. Without you, the members, with your financial contributions, attending meetings and volunteering with our events, the Anthracite Chapter would not be what it is: friends and colleagues meeting once a month to hear about the latest information pertaining to our industry, having drinks and telling stories over dinner. I would like to ask everyone to invite someone new to a meeting next year. Let the younger folks know that they welcome to come to the meetings. As always students are welcome with a free dinner.

Lets all thank Walt Janus, PE for his work with the Newsletter and registering people before the Meetings. Walt would like to pass on the torch of Chapter Historian to someone new. If you would like to take the torch let the Officers know.

What a way to end the year we have two action packed events this month. The Mark A. Hagan, PE Memorial Golf Outing on Tuesday June 18th . It will have a good time playing 18 on the 18th away from work enjoying the day.

Then we have the Car Cruise-in on Saturday June 22nd with the Dallas Rotary Club's Wine & Beer Fest. It will be held at the Luzerne County Fairgrounds. A day of chilling with wine, hot cars, cold beer and good food.

Thank you

Eric Turner

Car Cruise-In This Saturday June 22nd

Chapter Scholarships Awarded

Each year the Anthracite Chapter awards scholarships to deserving students in an industry-related program. The recipient of this year's HVAC Scholarship was Collin Krumenaker (center) and the recipient of the Drafting and Design Scholarship was Halie Garton (left). Both are students at the Columbia-Montour Vocational Technical School in Bloomsburg, PA. The awards were presented on June 4th by Chapter Governor Alyssa Procida. Thanks to all those who support the Chapter, so that we can support the next generation of HVAC practitioners.
