President’s Message

Spring is here, soon yard work will take over from clearing snow.

The topic of this month’s presentation will be about Displacement Ventilation. It will be given by Dennis P. Sikkema.

This month we are taking nominations for Chapter Officers. The success of the chapter requires participation from its members. If you are interested in any of the offices let us know at the next meeting.

This year the Car show will be held in conjunction with the Dallas Rotary Club’s Wine and Beer Festival. Many thanks to Kerry Freeman for making this possible. Contact Ron Sibulsky for more information and if you like to volunteer.

The Golf Committee has met and it looks like the outing will be better than last year. So it is time to start planning your foursomes. The registration information will be sent out soon.

Thank you.
