President's Message

It's November, time to get the turkey in the oven and start the feasting and football.

I would like thank everyone for their contributions to research promotion.

The meeting was cancelled at first because we could not find a speaker. I would like to thank Matt Archey for finding us a speaker at the last minute. A group of officers have formed a committee to take the place of a CTTC chair. We will work hard so this will not happen again we are here to serve the Chapter to provide best programs as we can. This also shows how important this chair is to the success of the Chapter. If anyone would like to be the chair for next year let me know and you can join the planning committee.

So it time to start the holiday feasting and enjoying the season with friends and family.

Thank you.

Eric Turner
